

Unleash Your Inner Dating Diva!

Join us for an informative and fun workshop on dating and mating in Boston!

Suzanne Blake, Noted Relationship Coach featured in the New York Times, The Boston Globe and MSN.com dating articles, and Harvard Psychologist and Relationship Specialist, Dr. Monica O'Neal, will help you transform your dating and mating experience.

Would you like to be more successful in attracting an appropriate romantic partner, or taking your current relationship to the next level? Are you ready to enhance your dating and "mating" skills and let go of limiting beliefs and past disappointments? Want to learn to get inside "the mind of a man" so you get more of what you want from men? Do you want to have fun with meeting eligible partners and dating in Boston?

We will explore how to avoid common pitfalls in the dating and moving to commitment processes, and ways to re-frame how you approach attracting romantic companions, or life-long mates. Learn why most women "settle" and how to avoid this trap! By the end of the evening, you'll leave feeling more confident, attractive, empowered and excited to get out and about in Boston to meet your future mate, or know if your current relationship has true long term potential.
